

How Devil Steals

NEUTRALIZES BELIEVERS

1. Makes Word unprofitable

Mark 4: Unbelief

- Do not desire or pursue understanding
- Disobedience & ignorance of God's word
- Lust of other things
- Persecution- do not continue in word or faith
- Temptations- cares of the world — deceit of riches
- Distractions, Jesus not first love
- Lean to own understanding

2. False Teaching

- Traditions of man/commandments of man
- Doctrines of devils- idolatry (Mary worship, etc.)
- Form of godliness, denies power of godliness
- Belief systems not centered around word of God (Bible)

- Choose & believe what they want to do.

- Interpret Bible by man rather than by Holy Spirit
- Works centered (man), rather than grace (Jesus)
- Counterfeit beliefs & signs

3. Demonic working

- Blinds minds from Lord's truth
- Lies & counterfeit belief, systems & signs
- Generational curse passed on as truth.
- False prophets drawing people away from truth
- Challenges & questions the Lord's Person & authority & ways
- Changes history-deceptions-alters truth about what really happened & the interpretation of the events to create division & evil purposes.
